***Current patients get 10% off any treatment!**

BTL VanquishME (kills fat cells):

Single area treatment: \$499 (national average is \$750!)

Two areas same day: \$798 (save \$200!)

BTL Aesthetics recommends 4-6 treatments of each area for best results. One "area" is defined as the area which can be treated without repositioning the device, such as abdomen or Back/flanks or simultaneous treatment of inner and outer thighs (both legs count as one area).

BTL Exilis 360 (body attachment tightens skin and kills fat):

Single area treatment: \$299 (\$500-600 elsewhere!)

Two areas same day: \$499 (save \$99!)

BTL Aesthetics recommends 4-6 treatments of each area for best results. One "area" is defined as the area which can be effectively treated in one session, approximately 4" x 8" so both thighs would constitute 2 areas and central abdomen only one.

BTL Cellutone: (Cellutone treatment is included **FREE** with purchase of VanquishME or Exilis abdomen or thigh treatments!)

Cellutone, single area: \$160 Cellutone, two areas same day: \$300
